

Grates & Screens

Unicast grinding mill and ball mill head liners, partition grates, discharge grates, and diaphragm screens for maximum wear life.

GRINDING MILL, BALL MILL, SAG MILL GRATES

Designed for optimum fit. Our head liners, partition, and discharge grates are designed for efficient mill performance with reduced maintenance needs. Cast in martensitic chrome-moly steels with a 350 to 450 BHN hardness, Unicast grates are cast for high strength and optimum fit.

DIAPHRAGM SCREENS

Water-jet cut from AR400 plate for longest wear life. Custom-made for convenience. Short delivery times.

FEATURES & BENEFITS

- Reliable and proven alloys for best performance.
- Guaranteed proper fit, performance and customer satisfaction.
